VOLUME XXXIX

BRYAN, TEXAS, THURSDAY, OCTOBER 1, 1925

(BY THE ASSOCIATED PRESS)

NUMBER 19.

THE PEOPLES' COLUMN

After reading the explanation of the milk grading ordinance as printed in the Eagle of Tuesday, I want to heartily commend such action to the City Commission of the City of Bryan. I believe, like the Federal official, that the lives of the people are far more important than the success of any one industry and it is a matter of common knowledge that milk possesses the property of spreading contagion more easily than many other things, even including water, and great epidemics may result from contaminated milk supply. I can readily understand wherein both dairyman and general public would profit by the ordinance and the only one that might possibly suffer would be those who could not make their dairies conform to the standards required for grades "A" or "B" and the safety of the majority would demand that their general good be paramount over the businesses of a small minority.

PITTS BRIDGE TO BE OPENED MONDAY MORN

W. A. Boyett, under whose direction the State highways in Brazos county are maintained stated this morning that if nothing unforeseen happened the Pitts Bridge would be opened by Monday. This bridge was closed for repairs some time ago, following damage done by the recent high water in the Brazos river. As soon as this bridge is opened the Jones Bridge will be closed for repairs. The Commissioners of Brazos and Burleson counties already have agreed and let the contract for this work.

Spirit of Aggieland New College Song Written By Senior

(Special to the Eagle). COLLEGE STATION, Sept. 30.—For a number of years the Texas A. and M. College has felt the need of a true college song which would be a typical A. and M. College product. This need was satisfied Tuesday night during "Yell Practice" at College Station by the introduction of "The Spirit of Aggieland".

The words of the new song were written by Marvin M. Mimms, a senior at A. and M. from Marlin, who also suggested the tune of the song. The work was begun during the latter part of last July and the published song appeared on sale at College Station, Tuesday night, September 29.

Credit for writing the music of the "Spirit of Aggieland" belongs to Richard J. Dunn, talented bandmaster of the A. and M. College band. He has just completed the task of writing over one hundred manuscript copies for the A. and M. College band.

A. and M.'s hundred piece band played the "Spirit of Aggieland" last night at "Yell Practice"; first loud and then softly, with J. D. Langford, celebrated band member and soloist singing. E. O. Buck, chief yell leader at A. and M. then made a brief talk praising the song for its merits and also introduced Marvin H. Mimms as the author and publisher.

The new song took the cadet corps by surprise and everyone seemed thrilled and eager to praise it. "The Spirit of Aggieland" has been judged by critics to be the best college song in the Southwest and one of the best in the United States. It is written in snappy six-eighths time and will be used as a march to lead the cadet corps on all reviews and parades. The authors of "The Spirit of Aggieland" merit much credit for their accomplishment and the name of its popular originator will be honored by the countless generations of students who will attend A. and M. during the years that are to come.

County Baptist Association To Convene At Edge

The Brazos County Baptist Association will convene with the Baptist church at Edge at 10 o'clock, Thursday, October 22, continuing through the 23. Dr. John A. Held, formerly pastor of the First Baptist church, will preach the annual sermon. A great crowd of delegates is expected, and many distinguished visitors from the neighboring counties.

The Weather

(Special to the Eagle). NEW ORLEANS, La., Sept. 30.—For Bryan and vicinity: Tonight and Thursday partly cloudy; local rains; cooler Thursday.

HOPE STILL EXISTS FOR CREW OF SUBMARINE S-51! WEST TEXAS TECHNOLOGICAL SCHOOL FORMALLY OPENS!

WEATHER CONDITIONS PREVENT CONTINUATION OF RESCUE WORK

Rear Admiral Christy Reports From Scene of Operations to Submarine Base That Heavy Seas Have Made It Necessary to Cease Work of Rescue—He Still is Optimistic For Lives.

(By Associated Press). NEW LONDON, Conn., Sept. 30.—All rescue operations on the submarine S-51 have been suspended because of unfavorable weather conditions, Rear Admiral Christy reported in a message today to the submarine base here. The Rear Admiral has refused to give up hope that some of the men who went down with the vessel are still alive. Many other officers sorrowfully admit, however, that they can see little chance for any survivors being found, particularly with the elements delaying the rescue work still further. Rough weather having caused a suspension of work at the scene of the wrecked submarine S-51, officers at the submarine base today said it might be necessary to stop efforts at rescue and try to salvage the boat.

AGREEMENT IS NEAR ON DEBT FRENCH OWE US

NEGOTIATIONS NEARER TOGETHER THAN AT ANY TIME OF CONFERENCE

(By Associated Press). WASHINGTON, Sept. 30.—Debt negotiations between the French and American missions, seeking a settlement of around four billion dollars in the French war debt, moved rapidly today with the negotiations nearer together than they have been since the discussion began.

Quake Is Felt In Oakland Today

(By Associated Press). OAKLAND, Calif., Sept. 30.—A slight earthquake of sufficient intensity to loosen accumulated snow on the roofs of residences was felt here today.

'CHILD WELFARE' IS SUBJECT OF MRS. MAGGIE W. BARRY BEFORE PARENT-TEACHERS ASSOCIATION

The East-Side Parent Teachers' Association, with the president, Mrs. Egbert Jones, presiding and the secretary, Mrs. Albert Buchanan at the desk began the work of the school year on Tuesday afternoon at 4 o'clock at the High School building under most favorable auspices.

After repeating the Lord's Prayer in unison, the president spoke a few words of appreciation of the cooperation and loyal support which is already being accorded the P-T-A this year. She gave a clear and definite outline of the work, and told of her fond hopes and visions for the association. With the details of a very comprehensive program well in hand, Mrs. Jones proved her very splendid leadership in Parent-Teachers' work, and the fact that there is the largest paid up membership at the beginning of the term, in the association's history, if proof of increasing interest of parents and teachers. Mrs. Albert Buchanan, secretary-treasurer, was called upon for a report and gave a resume of the activities of the association during the summer months, and a financial statement as follows:

Balance in bank last report, April 23, 1925: Library Fund, \$194.94; General Fund, \$381.67. Total, \$576.61. Receipts, Library Fund, none; Disbursements, Library Fund, \$61.11; Balance, Library Fund, September 30, 1925, \$133.83. Receipts, general fund, \$146.30. Disbursements, general fund, \$505.80; balance general fund, September 30, 1925, \$22.17. Total credit P-T-A, Sept. 30, 1925, \$156.00.

Mrs. E. F. Parks, first vice president of the association, finding it impossible to serve in that capacity during the year tendered her resignation, which was accepted with deep regret. Mrs. C. A. Searcy was unanimously elected to that position. The association went on record as favoring the establishment of an up-to-date cafeteria at High School building and the president appointed the following committee to cooperate with Miss Racey of the domestic science department

FREIGHT RATES TOO HIGH WEST OF MISSISSIPPI

COMMENDS THAT THEY BE MADE CONFORM I. C. C.

Revise Suggested

COMPLAINTS BEEN MADE BY AMERICAN NATIONAL LIVE STOCK ASSOCIATION.

(By Associated Press). WASHINGTON, Sept. 30.—Rates on livestock west of the Mississippi River should be revised to conform to provisions of the Interstate Commerce Commission, examiners recommended today, after a preliminary investigation of complaints made by the American National Livestock Association and the National Wool Growers Association.

LINZ ELECTED HEAD SANGER BROS. STORE

(By Associated Press).

DALLAS, Sept. 30.—Appointment of Clarence E. Linz, Dallas capitalist, as president of Sanger Brothers, department store, was announced today. Mr. Linz succeeds the late Alexander Sanger, one of the founders of the business, who died a few days ago.

Mr. Linz has been vice president and member of the executive committee and board of directors of the concern. He was unanimously elected president at a meeting of the board of directors today.

The new Sanger head is vice chairman of the federal reserve board and a class C director of the American Rio Grande Land and Irrigation company, which operates on irrigated project of 108,000 acres in the Rio Grande Valley. He is first vice president and treasurer of the Southland Life Insurance company, in which position he will continue. He was an organizer of the Dallas Automatic Telephone company, the first automatic telephone service in the southwest. It later was merged with the Bell Telephone company.

In 1908 Mr. Linz married Miss Louise Sanger, daughter of the late Alexander Sanger. He was born in St. Louis May 24, 1884. Besides the Dallas store, the Sangers have stores at Waco and Ft. Worth.

HOUSTON MAN COURTS DEATH

HOUSTON, Sept. 30.—Something in his life that he "can't overcome" has caused a Houston man to seek death—and he wants it be "in a hazardous undertaking which will save some man upon whose shoulders rests the responsibility of a family."

This man with an apparently keen, properly functioning mind has prepared a letter to Governor Miriam A. Ferguson, asking that he be assigned to a duty where the "possibility of death is 100 percent."

His letter, a neatly typewritten document, bears all the earmarks of sober and coherent thinking. He asks the governor to place him in a dangerous situation as soon as possible, "or I will bring my days to an end in this or that way." In his description of himself he says he is unmarried, has a good position at the present time and not in need of finances, has a good education and a long experience in business abroad.

Steele's Store Items

(Special to the Eagle).

STEELE'S STORE, Sept. 30.—The Steele's Store and Stone City Consolidated school is enrolling pupils every day, and we hope within a month to have a large enrollment.

Our community has had several showers of rain the past few days, and the farmers are hoping they get more, so as to moisten the ground for fall plowing.

On Friday night, October 2, the Community Club meets for the second time this season. It will render a short program, and there will be speakers for the occasion from Bryan. Every one is cordially invited to attend.

COL. MITCHELL BLAMES NAVY OFFICIALS TODAY

(By Associated Press).

WASHINGTON, Sept. 30.—The responsibility for the "Shenandoah" disaster and failure of the navy airplane PN-9 No. 1 to reach Hawaii was placed directly on heads of the Navy Department today by Colonel William Mitchell in testimony before the President's aircraft board.

Sending the aircraft into the Middle West was in direct violation of the law, he asserted. The arrangements made for the Hawaii flight looked like the work of bungling amateurs.

By sending the Shenandoah to the Middle West, he insisted, the Navy violated the law because in time of peace, land activities belong to the army. Mitchell also severely criticized the work of the Navy in arranging the equipment for the Navy contingent accompanying the MacMillan Arctic expedition.

TWO ESCAPED CONVICTS ARE CAUGHT—MART

MART, Sept. 30.—Two men, J. H. Parrish and Ed Hayslip, who escaped Sunday night from the penitentiary at Sugarland were caught in the railroad yards here last night and are being held in jail pending the arrival of officers from Sugarland, according to City Marshall M. Burton. Both men had been sent to the penitentiary from Wichita Falls, Parrish being sentenced to seven years for incest and Hayslip to two years for forgery.

The former had gone in about August 1, while the latter had been in the penitentiary for about a year.

Word had been sent to officers throughout the state asking them to look out for the men.

PARDONS NEAR TO THOUSAND UP TO OCT. 1ST

CLEMENCY RECORD SINCE INAUGURATION OF GOVERNOR SHOW 891 CASES

Three This Month

THIS MONTH SET A NEW LOW MARK IN NUMBER CASES WITH BUT THREE

(By Associated Press).

AUSTIN, Sept. 30.—Only three pardons were granted by Governor Miriam A. Ferguson in September. One was a full pardon and the other conditional. This establishes a low monthly record for clemency by the governor during her eight and a half months' administration. Since her inauguration the governor has issued 891 clemency proclamations, 149 of which were full pardons, 383 conditional pardons, 54 paroles, 153 furloughs and extensions, 40 remissions of jail sentences, and 4 commutations of death sentences. The governor has revoked clemency granted to 12 convicts.

Proponent of the Prison Farm In A Statement

(By Associated Press).

WACO, Sept. 30.—Pat M. Neff, former governor, who established the honor prison farm that bore his name, made no comment Monday night on the action of the prison commission in abolishing the honor system. Doctor J. T. Harrington of Waco, however, declared that the honor farm should not be abolished. He is a member of the prison advisory board.

Makes Men Better. Putting men on their honor helps to develop strength, moral fiber and the qualities necessary for good citizenship, when the prisoners are released," he said.

The prisoners, he said, did not take advantage, for the most part of the liberties given them. Harrington will make an inspection of the farm next week. He would not say whether the expected report of the supervisory board would have any effect on the decision of the prison commission.

Former Citizens of OKLA. WILL MAKE HOME IN BRYAN

Mr. and Mrs. T. R. Nelson and children have taken a home on East 23rd street. Mr. and Mrs. Nelson come from Oklahoma and he has a position in the department of mathematics with A. and M. College. Mrs. Nelson and the children have been visiting relatives in Normangee before coming to Bryan. Bryan and College welcome these estimable people into our midst.

Mr. and Mrs. George Foster of "River Oaks" on the Brazos, were in the city on business today.

Cotton Market

Cotton futures closed 15 to 20 points down; local new receipts were quoted at 22 to 23 cents.

LUBBOCK HOST FOR THOUSANDS PEOPLE MEETING THERE TODAY

President of West Texas Chamber Commerce R. Q. Lee and United States Senator Morris Sheppard Will Give Addresses Formal Opening Program.

(By Associated Press).

LUBBOCK, Sept. 30.—Lubbock is today playing host to scores of prominent visitors and to thousands of West Texas People who are gathered here for a double program in celebration of the opening of the Texas Technological College and the opening of the 12th annual Panhandle and South Plains Fair. The Board of Directors of the West Texas Chamber of Commerce likewise are holding their fall meeting here today. The program that will formally set the wheels of the Texas Tech in motion will be held this afternoon in front of the administration building. The speakers include R. Q. Lee, president of the West Texas Chamber of Commerce, and Senator Morris Sheppard.

Dr. Held Will Have Charge of Prayer Meeting

Dr. Jno. A. Held will conduct his last prayer service for the First Baptist Church of Bryan on tonight and at the close of the service will baptize some candidates as the final act of his pastorate of this church. He states that he will be very happy to see all his friends out for the service tonight.

DEATH OF MEN SHENANDOAH WAS 'MURDER'

FORMER ZEPPELIN PILOT CALLED WITNESS STAND SHARPLY QUESTIONED

LAKEHURST, Sept. 30.—Appearing as one of the star witnesses in the "Shenandoah" disaster investigation, Captain Anton Heinen, former Zeppelin pilot, was subjected to a sharp examination today. Questioning was directed primarily to statements of Heinen made after the wreck of the airship in which he was quoted as saying that the death of the 16 officers and men on the ship was pure murder.

Car Registrations for Brazos County

Only one new car has been registered since the last previous publication, according to the official records of County Tax Collector J. Marion Ferguson, that being Mrs. L. A. Spell. There were several new truck registered, however, as follows: Santiago Rocha, Bryan; Lawrence Grocery Company, Bryan; Gus Stevenson, Kuykendall; Freddie Dunn, Wheelock; W. H. Vance, Bryan; William Harrison, Bryan, Route 4.

Bryan Citizens Honor President T. O. Walton With a Banquet

The banquet hall of the Green Parrot Tea Room was well filled more than 125 diners on last evening, practically every business establishment of the city of Bryan being represented at the reception tendered in honor of President T. O. Walton, new executive of the A. and M. College, and Mrs. Walton. The only thing to mar the complete success of the evening was the absence of some of the distinguished guests who were unable to be present though they had previously planned to do so.

The spirit of the occasion was all that could be asked and a feeling of comradeship, friendliness and informality hovered over the assembly.

The attendants flocked in to their seats shortly after 7:30 o'clock, practically every place being taken, and all stood while Dr. Jno. A. Held pronounced the invocation. The banquet hour followed at the close of which Mrs. J. Webb Howel sang a solo "Just Be Wondrous" and responded with an encore "Laddie".

Weynote Is Sounded.

Judge Davis outlined the reasons for the gathering of the evening and expressed gratification over the wonderful attendance present to pay homage to the honor guests. In stating that Bryan was proud of having been the home of four members of the Board of Directors, he paid a glowing tribute to the work of the late Major W. R. Cavitt, after which he introduced another former director, E. H. Astin, to discuss Bryan's relations to the College. It was in Mr. Astin's talk that the keynote of the whole evening was sounded when he stated that the A. and M. College did not belong to Bryan, but had been located here by the representatives of the people of Texas, and to the whole of Texas as it belonged. He decried the attitude of some to dictate or to try to influence the actions of the board of directors, asking that they be let free to conduct the business of the institution as they should deem best. He closed with an appeal that if Bryan wished to serve College she could do it best by serving herself, in that she should build for a greater city, more paving, better roads and streets, better schools, better public utilities and better homes, as an inducement for people to come to College, where they may have modern conveniences and a wholesome atmosphere.

Judge Davis Presides.

Mrs. Lee J. Rountree, chairman of the entertainment committee of the Chamber of Commerce then introduced the President of that organization, paying tribute to the character of the man and to his sterling worth to this community. "Not alone for the official service rendered as head of this organization but for the generous giving of himself and time, there are more men and women in Bryan and Brazos County tonight, who have higher ideals, more homes that know of the friendly touch of sympathy and more people with a kindlier consideration for others," said Mrs. Rountree in presenting Mr. Jno. M. Lawrence.

In a few brief words Mr. Lawrence formally introduced Hon. W. C. Davis to preside as toastmaster.

When he was a member of the first faculty, Major L. L. McInnis. He gave a resume of the history of the institution and recounted its growth and development, as well as its changing curriculum of over the period of nearly 50 years. He closed with an appeal for unified support of the institution and a thorough knowledge of conditions prevailing to the end that all may unite in combating any efforts to restrict the usefulness of the Extension Service Department, or to limit the college to a strictly agricultural and mechanical institution.

Senator R. S. Bowers was called upon for an impromptu address and in his remarks said that he welcomed President T. O. Walton as a member of the State Legislature, which statement brought much applause. He went on to discuss the necessity for College heads and departments entering the political field in the endeavor to secure adequate appropriations for their institutions. He closed with the promise of assistance in any way to carry on the great work that the A. and M. College is doing and assured President Walton that the members of the legislature would be glad to meet him in his new capacity, and meet him, they surely would.

Short—To the Point. Hon. W. C. Boyett, College Station, member of the Board of Directors, made the shortest and probably the most pointed talk of the evening. He said much in a few words and his remarks were the subject of much favorable comment at the close of the banquet and he was given considerable praise by his many friends. He said he was to talk on "The Needs of the College" and that these needs had been supplied in the el-

lection of T. O. Walton as President of A. and M. He said, however, that the people present and others should get behind the legislation to the end that adequate dormitories might be built to house the students. He said that when the legislators had imbibed the spirit of Bryan toward the A. and M. College, then the dormitories will be built and something will have been accomplished.

Address of Response.

Colonel Ike Ashburn, executive secretary of the Ex-Students' Association of the A. and M., was the next speaker and he expressed his joy over the selection of T. O. Walton as the head of the institution, stating that the former students, not only of Texas, but of the nation and he world, were rejoicing. He predicted that the coming years would be record milestones in the history of A. and M. and pledged the support of the former students to the administration of the College so that it might become all that those who love it would have it to be.

The final address of the evening was delivered as an address of response by T. O. Walton. After expressing the pleasure and gratitude of both himself and his wife for the honor accorded him at this reception he said that "whatever worth while things I have accomplished in which I have had some small part, there have always been three influences upon me in my life, who is worth while. A good mother—a good wife—and an implicit faith in Almighty God. With these three influences and with the support of friends like you—friends of the institution here and throughout Texas, I believe that working together, we may carry on

LAW OBSERVANCE

Speaking to the Young Men's
Lyceum in Springfield, Illinois, in
1837, Abraham Lincoln had the
following to say of the observa-
tion of the law and it would be
well for the men and women of
today to heed what Abraham Lin-
coln said:

"Let every American, every
lover of liberty, every well-wisher
of his posterity, swear by the
blood of the revolution never to
violate in the least particular the
laws of the country, and never
to tolerate their violation by oth-
ers. As the patriots of '76 did
to the support of the Declaration
of Independence, so to the sup-
port of the constitution and laws,
let every American pledge his
life, his property and his sacred
honor—let every man remember
that to violate the law is to tram-
ple on the blood of his father, and
to tear the charter of his own and
his children's liberty."

"Let reverence for the laws be
breathed by every American
mother to her lisping babe that
prattles on her lap; let it be writ-
ten in primers, spelling books and
in almanacs; let it be preached
from pulpits, proclaimed in legisla-
tive halls and enforced in courts
of justice and, in short, let it be-
come the political religion of the
nation; and let the old and the
young, the rich and the poor, the
grave and the gay of all sexes and
tongues and colors and conditions,
sacrifice unceasingly upon its al-
tars."

MERELY JUSTICE

"Go ahead and sue them; it's
the railroad company and they
have plenty of money to pay!"

Too often is that expression
used when it should not be. While
there is much criticism of railroad
companies and people are prone
to sue them for every imaginable
grievance, it is time that some-
one put up a defense for them.

Just because it is the railroad
company is no reason for an in-
justice to them. Many times the
railroad company is not at fault.

Take for instance the accidents
at rail crossings. It is probably
that only a few of the accidents
are really due to any fault of
the railroad company, but more
likely the fault of the motorist
or the driver of the vehicle or the
pedestrian.

A railroad is essential to any
community—just as good roads are
essential. Then if they are neces-
sary, we should realize their rights
to operate. A train cannot stop
within a short space or distance—
a motorist can.

The train cannot
stop at every road crossing and
wait for an auto to pass—the auto
can wait with but a few moments
loss of time. You would object
if you had to ride on a train that
stopped at every crossing.

Let's be more judicious in our
criticism and before we pass judg-
ment, place ourselves in the other
fellow's shoes. If we then feel
criticism is the thing, make it
but make it constructive—not
merely knocking.

It must be very gratifying to
every citizen of Texas to note that
reports from schools opening from
all parts of the State, both in pub-
lic and higher institutions of learn-
ing show the largest enrollment of
student in the history of the
schools. This is tangible evidence
that boys and girls are learning
the value of education. There can't
be too much of the right kind of
education.

This is a fast age. A man can
get married in two minutes and
can drink himself to death in one.

Aggies To Meet Southwestern On Next Friday

The Texas Aggies will meet the
Southwestern Pirates on Friday,
and the Aggies should have no
trouble in winning this game. It
is likely that Coach Bridges and
other conference leaders will be
in attendance at the game. Bible
has been driving his men at a fast
clip, and he will likely use two
teams or more in this game. It
will be the Aggies' last battle be-
fore the great early-season strug-
gle with Sewanee. The game fol-
lowing as it does the struggle with
Texas University of Saturday, will
prove quite an assignment for the
Southwestern team.—Jinx Tucker

Howell Fair Exhibits Were Fine Despite Drouth In Brazos County

OVER TWO THOUSAND PEOPLE ON GROUNDS DURING THIS MORNING

Weather Conditions Ideal for First Annual
Howell Lumber Company County Agricul-
tural Fair—Judges Kept Busy Throughout
Day as Exhibits Were Numerous.

Two thousand five hundred and fifteen people were
in attendance during Saturday morning at the Howell
Lumber Company's first annual county-wide agricultural
fair, and it was expected that during the course of the
day the total number of the people on the grounds at dif-
ferent times would exceed 4,000. The fair has proven a
complete success from every angle and the wonderful ar-
ray of exhibits takes up nearly 500 feet of floor space with
every conceivable kind of farm and home product on
display. Rural people enjoyed community basket spreads
on the floor of the compress during noon hour. President
T. O. Walton of A. and M. College delivered an address
at 1:30 o'clock and prizes were announced as soon after
3 o'clock as judges had finished the herculean task of
completing the checking up on exhibits. All judging was
done by numbers and verification of exhibitor made from
corresponding number by check-up.

Eleven different communities
in Brazos county were all well
represented at the Fair with the
largest crowd, perhaps, from the
Kurten and Tabor communities.
These two sections had been bet-
ter organized for the Fair, hav-
ing began preparations some
weeks ago. Those for whom
booths were provided for registra-
tion were: Millican, Edge, Sme-
tana, Steele's Store, Steep Hollow,
King's Highway, Kurten, Reliance,
Wellborn, Tabor and Harvey.

Everyone seemed to be in good
humor and well pleased with the
Fair and the accommodations pro-
vided. There was ice water in
barrels in all parts of the grounds
and on the floor of the compress
where the basket lunches were
spread on tables which had been
provided by the Howell Lumber
Company, as well as the seats al-
so placed there. The water was
furnished for the occasion by the
Western Public Service Co.

Allen Furnishes Music.
There were probably 500 ex-
hibits of all kinds and of every
conceivable variety. Display racks
not only filled the office room but
a warehouse space of 38x76 feet
was covered for 460 feet with the
exhibits. The Allen Academy
band furnished music during
the noon hour. There was no
traffic congestion though hun-
dreds of cars were in and about
the grounds throughout the day.

Travis B. Bryan held the pos-
tion of responsibility in number
up the exhibitor from and also is-
sued the monetary checks for prizes
won. S. E. Oberstadt award-
ed the several prizes and assisted
with the direction of the Fair dur-
ing the course of the day. In
the welcoming committee and as-
sisting in the success of the Fair
were: County Agents C. L. Beas-
on and Miss Abbie Sevier and
Messdames W. S. and J. Webb
Howell.

The following is the official list

L. S. ROSS CHAPTER U.D.C. ELECTS OFFICERS FOR THE COMING YEAR

Mrs. Albert J. Buchanan Elected President of
One of Bryan's Oldest, Most Valued and
Highly Honored Organizations Which Is In
Twenty-Eighth Year of Work in This City.

One of Bryan's most valued and honored organiza-
tions, L. S. Ross Chapter, No. 100, United Daughters
of the Confederacy, on Thursday afternoon, September 24th,
began its 28th consecutive year. L. S. Ross Chapter was
organized in Bryan, on April 6th, 1897, with fifteen char-
ter members, as follows: Mrs. L. S. Ross, Mrs. J. J. Adams,
Mrs. R. K. Chatham, Mrs. Amanda True, Mrs. J. F. Parks,
Mrs. J. W. Johnson, Mrs. Ida H. Shepard, Mrs. William
A. Banks, Mrs. W. G. Taliaferro, Mrs. M. Parker, Mrs. Al-
bert Buchanan, Mrs. Eliza Johnson, Miss Lottie Stoddard,
Miss M. Stella Shepard, Miss Daisy Montgomery. This
chapter has held regular monthly meetings for pleasure
and profit in the study of Southern History, and reminis-
cence in song and story of the Old South and its regime.
So blessed are the memories of the 60's, and so dear to
the hearts of the Daughters of the Confederate heroes
in every fact in history that tells the true story of the
"Conflict," that the programs and discussions at the
monthly meetings are most interesting and instructive.
The chapter roll at this time shows an active membership
of sixty-six, with a roll of deceased members numbering
fifty, a list of members who have during the years trans-
ferred their membership to other chapters numbering
twenty-seven, honorary members six, making a total of 149.

Martin's Market Entered Sunday Night By Negro

A. D. Jones, negro boy of 15 or
16 years of age, is in the county
jail, having been arrested by
Night Officer K. T. Tillis as he
was leaving the C. S. Martin Mar-
ket and C. E. Ball Grocery Store
on North Main Street, Sunday
night. The loss, as checked up
this morning shows that the only
things taken were some candy and
chewing gum, the cash registers
being empty as all money was
locked up in the safe at the close
of business on Saturday night.
Entrance had been effected thru
a rear window of the store, the
window being left open for ventila-
tion and having only a screen
protector to a burglar. The screen
had been torn off.

Palermo Store Is Broken Into On Last Night

The rear window of the Palermo
Store bears evidence today of ef-
forts to make an entrance, last
night. A front axle of a wagon
was used to pry on the bars over
the window after a saw had been
used for a short time. Two bars
had been removed as a barrier and
it would not have taken much
longer to effect an entrance, from
all indications. The bars had been
firmly set and it must have taken
a great deal of work to accomplish
what was done.

Mr. Palermo, the proprietor of
the store says that he understands
that officers interrupted a negro
trying to get in through the win-
dow and that they chased him and
even fired some shots but that the
negro got away. Sheriff Jess
Conlee stated that he had no re-
port to make and would give out
no information.

Sarah Palermo Asks Increase Care for Babes

At a previous session of district
court in Brazos county Mrs. Sarah
Palermo was granted a divorce
from her husband, L. D. Palermo,
and given a certain, stipulated sum
of money for the support of the
children. On Thursday in district
court a case was tried in which she
asked for an increase in that sum.
The case was a non-jury one and
was before Judge W. C. Davis
who has taken it under advisement.

T. J. Krolczyk Has Some Egg- Laying Pullet

A hen egg that is of the dimen-
sions of a duck egg is the product
of a Rhode Island Red Pullet on
the farm of T. J. Krolczyk of the
Rock Prairie community. The egg
measures 7 7-8 inches in circum-
ference the long way around and
6 1-8 the short circumference. It
measures 3 1-8 inches in diameter
from pole to pole. Mr. Krolczyk
says that he gets eggs of this size
—some even larger—about once a
week or three times a month.
While he is not sure, he thinks
that all are the product of one
hen.

Surprise Is Given J. W. Barron On 76th Birthday

A surprise birthday dinner, given
in honor of the seventy-sixth
birthday of J. W. Barron, was one
of the delightful affairs of Sun-
day, September 27th. Mr. Barron
went to Sunday School and church
as is his custom, and when he re-
turned at noon, found his home
full of guests and the celebration
of his birthday only awaiting his
arrival to make of it a perfect day.

His good wife and children had
planned the affair without his
knowledge, and it was indeed a
joyous and delightful surprise. A
bountiful dinner of barbecued
pork, mutton, beef, chicken, sal-
ads, pies, cake and ice cream was
served to nearly fifty guests pres-
ent as follows: Mr. and Mrs. J.
W. Barron, Mr. and Mrs. J. I.
Barron and family, Mr. and Mrs.
Julius M. Barron, Mr. and Mrs. J.
Lee Barron and family, Mr. and
Mrs. P. L. Barron and family, of
Wellborn; John M. Barron, Mrs.
D. M. Dansby, Mr. and Mrs. Chas.
S. Jones, Miss Emma Jones, Mr.

News Notes of District Court

The case of Rosprim vs. Lero,
which was called in district court
this morning, was postponed until
October 22nd.

The jury for this week was dis-
missed this morning until Tuesday
morning.

Non-jury cases were to be tak-
en up this afternoon. None are
contested. Judge W. C. Davis will
hear these cases. None of them
are of general interest to the pub-
lic.

Court Stenographer Z. R. Mc-
Donald was taken ill last evening
and was examined at the Bryan
Hospital this morning.

The criminal docket was set this
morning.
The misdemeanor docket will be
up for the work of the district
court on Tuesday morning. About
25 or 30 cases have been set on
this docket.

PRISONER RELEASED.

A boy that was arrested by of-
ficers in connection with the Pal-
ermo store robbery on Friday
night has been released from cus-
tody, the Eagle learns, since he
seemed to have a perfect alibi.

THE FAIR IS FIRST OFFER FINANCE BOY

W. R. Thomas, proprietor of
The Fair, is the first one to an-
nounce that he will send one of
the six boys from the agricultural
club of the county to the Dallas
Fair. Close on the heels of this
offer comes another from the Bry-
an court house force that they
will join in together to send an-
other boy. In this wise, four of
the six boys that Brazos county
is permitted to send to the Fair,
will have their tickets to and from
Dallas paid. The boys will leave
Bryan on October 13th and record
books of club members should be
in the hands of County Agent C. L.
Beason not later than Tuesday,
October 8th, that he may judge
them and select those who have
won trips. The Eagle is wondering
who will be next in offering to fi-
nance tickets for another one or
more of these boys, there being
four left to care for.

Judge W. C. Davis was the
speaker at the Alexander church,
near Tabor, Sunday night, in the
absence of the pastor, Rev. Jesse
C. Thomson. Edgar Buchanan
sang a solo preceding the sermon.

the program upon a broader and bigger and more comprehensive scale and continue to make A. and M. College and its branches an increasingly important and vital factor as the years go by. It has been said that great institutions are but the lengthening shadow of one great man. It might have been true at that time but today a great educational institution is made up of the lives of many great men. By working together, and with the help of the co-laborers yonder at the College and people throughout the state, I can look to the future with a measure of confidence, for I believe that the right will prevail and because I know that the A. and M. College and its branches are right in every particular and in every respect. I do not mean that mistakes have not been made by the administrations of the past and present, or will not be made in the future, but the influences are good and has been felt and will be felt throughout the years."

"In conclusion may I say again that we shall always be grateful for this expression of confidence and good will, not alone to us but toward the institution that we have the honor of representing. We have pledged ourselves to the best that is in us to carry forward the best way we can the progress that has been outlined with as few changes as possible and only those to strengthen the work of the A. and M. College and its branches. The people of Texas, when they know and understand fully the service that the A. and M. College is rendering them, the things that are needed will be granted."

REV. HOLLOMAN IS CALLED BY NEW BAPTISTS

At a conference held following the regular weekly prayer service at the New Baptist church of Bryan on Wednesday evening, a unanimous call was extended Rev. Roy Holloman of McGregor to serve the new church as pastor. Rev. Holloman preached for this congregation on Sunday, September 20th at both the morning and evening service, and his sermons were gospel messages of great power and enjoyed by all who heard him. Rev. Holloman has not yet accepted the call.

Texas Aggies Preparing For Game With Southwestern U.

(Special to the Eagle)
COLLEGE STATION, Sept. 30.—The next hurdle on the march of the Texas Aggies toward a conference championship will be the Pirates from Southwestern on Kyle Field Friday afternoon. The Farmers are pointing for their game with Sewanee the following week and are not expected to display anything but their simplest plays and the game will be one in which straight football has full sway as far as the Aggies are concerned. The visitors will doubtless use everything in their bag of tricks but the Bible men should be sufficiently strong to hold them down.

The Longhorns trounced the Corsairs in Austin last week to the tune of 34 to 0, but it is doubtful if the Aggies can do as well. The Longhorn offense is powerful and the Aggies offense must depend upon its trick formations for its greatest effectiveness. Since these will not be used the score is likely to be close.

The Farmer squad is in excellent shape with the exception of Taro Kishi, and the brilliant Jap has been lost to the Aggies for the season. He suffered a broken shoulder in the Trinity tilt last week and added another chapter to his unfortunate history on the gridiron.

Bible and Rothgeb have pushed the Aggie hard this fall in order that they might be ready for the Sewanee Tigers on October 10. If the Tigers are not in mid-season condition they will find it hard to keep pace with the charges of the Aggie coaches. Every man on the squad is in shape and in condition for a grueling game.

There has been much speculation as to the successor to Kishi's half position. Bible is having trouble in picking a man and it looks as if several ambitious youngsters would divide the playing time among them. Hunt looks good and is showing an improved ability to hurl passes. Add to that the fact that he is a fair punter and an excellent ball-carrier and it is hard to deny him a place. But Woodman is pushing him hard. This lad can hit the line and hit it hard and once through he is hard to catch. This line crushing ability may give him the call over the more versatile Hunt, they are expected to divide the duty fairly evenly.

The Aggie backfield is not a set affair by any means. The veter-

ans have shown good so far but some of the youngsters and reserve men are pushing them hard. Edgar and Arnold both look good, the former for his terrific line plunging and the latter for his speed. Turner will push Bob Berry for his position at quarter. The Bryan lad is as clever as the "Pepper-Box," but is not the offensive threat that Berry is. Utay, Willis, Colgin, and Wyman will all see much service before the season is over.

The Aggie ends after their poor showing against the Trinity Tigers are expected to show much improvement against Southwestern. Price and the rangy Sikes have the call all year along with the veteran Beutel. But all three are facing a tough assignment in keeping young Deffenbach off one of the flanks. Both Deffenbach and Bryan are showing real stuff and both are big and powerful. Deffenbach looms as the best defensive end on the Farmer string, and is showing an increased ability in handling passes. The Aggie wings are both well cared for and there is plenty of reserve strength in case of injury or substitution.

Dieterich, Irwin and Woodland are showing the best form at the tackles, although Morris and Figari both look like comers. But the two veterans should have a great year and they are expected to be the bulwark of the Aggie forward defense. Norman Dansby and Ochterbeck are both light men in the middle of the line but both are fighters and fast. They will hold their own. Speed and Rektorik are capable understudies and the substitution of either would not weaken the line.

Eitt, Brazelton and Sprott are being a merry fight for center. With Brazelton troubled by his ankles, Eitt has been running in first string. He will have a hard time keeping Sprott out of the place. All the youngster lacks is experience.

After the Southwestern game is Sewanee, and the Sewanee game is the goal of the Farmers. They will attempt to conquer the Pirates on straight football, but win or lose, the Sewanee scouts will see nothing of Dana Bible's new formations before they meet in Dallas. The Aggies want to make it three straight from the visitors and are leaving nothing unturned to do it.

ANNUAL MEETING IN DECEMBER OF TEXAS EDITORIAL ASS'N. IS GOING BE COMPLETE SUCCESS

The annual meeting of the Texas Editorial Association in Brownsville in December is going to be a winner if preparedness counts for anything. For the committee in charge already is beginning to line up the brethren for the meeting and the following letter, which has been sent out to the members by President June P. Miller, is a good indication of what their efforts are going to be to have a record crowd in attendance. Here is the letter in full: "Houston, Texas, Sept. 12, 1925. Dear old Pal: There are two big events ahead—the arrival of the new model Ford and the meeting of the Texas Editorial Association at Brownsville, December 3, 4 and 5.

"Most editors ride in Cadillacs and are not concerned about the new Ford, consequently the Brownsville meeting is the main thing.

"We want you to get wise to it and get pepped up on it. Brownsville, you know, is situated on one of the banks of the Rio Grande, a stream that has a pair of banks, and we are going to explore both of them. The entertainment committee has already arranged to take us across and to have us carried back, if necessary.

"A great program of sight seeing and fun has been prepared. We are going to see American first and enjoy a big country barbecue on this side, where they use the water for irrigation purposes. Then we are going to investigate the hot tankales and other things in Matamoros. We are going to be given the liberty of both cities down there where liberty means a lot.

studied, and the direction of its traits and tendencies guarded." She urged the P-T-A to remember that the first purpose of the association is the welfare of the children, and the proper educational program planned and executed for the children and the mothers of the children. Mrs. Barry mentioned many helpful activities, by which such a plan could be carried forward, and those who listened to her earnest words will not soon forget, nor will they be content with a half hearted service in this important work.

Boone Prairie

Harvey News

(Special to the Eagle).
HARVEY, Sept. 30.—We are needing rain again. There is so little moisture, the effects of the rains do not last long. Several farmers around report good patches of maize which was planted late, but it begins to need rain badly to fill it out. Dr. J. C. Davidson has about five acres that is very promising. The heads are large and heavy and bids fair to make a heavy yield. It was planted on the 23rd of June when the ground was quite dry. It remained in the ground until July tenth, it suffered several times from the drought, but the September rains saved it.

Rev. R. L. Brown held his regular service Sunday. Quite a good congregation was present. He preached on "The Lost Bible." His argument in favor of the Bible as a Divine book and written by inspired authors was very strong and clear. In closing he quoted from William Jennings Bryan, saying: "The Bible should men try to destroy. Why should they try to destroy the Bible when they can give us something better?" From last report both Sunday Schools here are doing well and they have a wide awake B. Y. P. U. at the Missionary Baptist. They have about seventy two enrolled and have a regular attendance of about fifty or sixty.

Mrs. Bess Kelly attended services at the Baptist church Sunday. Miss Mitchell, sister of Rev. R. L. Brown's wife was a visitor to Harvey Sunday.

Miss Thedie Cobb contemplates taking a training course as nurse in the Houston hospital sometime this winter, or just as soon as an opening occurs. Miss Thedie is a very deserving girl, and we hope to see her get that situation.

Mrs. O. L. Moore and Milton Graham, both of San Antonio, are visiting their parents, Mr. and Mrs. Ben Graham.

Smetana News

(Special to the Eagle).
SMETANA, Sept. 30.—Smetana Sidights will appear after a few months' absence. Sometimes their negligence or scarcity of news the writer fails to perform her weekly task. We have enjoyed the

news items from other communities very much.

Our schools have been in session for two weeks, with an enrollment of 135 pupils. The children are interested and have fallen in love with their new principal, F. M. Vance, and the other teachers who are: Mrs. Jacob Fuchs, Intermediate; Miss Elizabeth Adkins, sub-Intermediate; and Miss Larline Dowling and Miss Mary Cahill, as primary teachers. We hope to have the children as interested throughout the session as they are at present.

A most enjoyable melon feast was served to the following guests Sunday evening at the Cahill home: Misses Deason and Ella Mae Stewart and Messrs: Ollie Hall, Paul Kopecky, and Martin (Slick) Merka.

The birthday party given at the home of Gib Cunningham by his little daughter, Miss Velma, honoring Miss Ella Cahill's birthday was enjoyed by all who attended. The following guests: Misses Lu Ella Smith, Lydia Vincent, Maggie and Ella Cahill, Henry and Ollie Robinson, J. C. and Alvin Stabler, Chris, Aaron, and J. D. Vincent, Dennis Cahill, Milton Cunningham, and Malcolm Bailey. The young people played various games and before their departure were served with cakes and iced lemonade. Every one left with a happy heart and wishing Miss Ella many more happy birthdays and asking for another party to be given at an early date.

Misses Fannie Havel, Albine Krc and Rosa Holig of Bryan spent Sunday with homefolks. They remained for the dance that night given at Frank Krc's.

The following young men of our community are attending Allen Academy: Guy Bryant Smith, William Merka and Jack Conway. Miss Clara Wehrman is attending Draughn's Business College in San Antonio.

Little Miss Maggie Cahill and Hattie Nemece happened to a very painful accident at school Monday. They were swinging and the chain broke and both fell. They were rushed to Bryan where they were given medical aid. The little Cahill girl has a fractured arm which is being carried in splints while the little Nemece girl is slightly bruised.

Poul Kopecky and Martin Merka are leaving Monday for Vernon in search of work. We wish them the best of luck.

Miss Annie Cahill, who has been employed by Mrs. Mary Beckwith, has accepted a position as stenographer in the office of Prof. F. W. Kazmeier.

Novel Program Put On Today At Rotary Meeting

A quite varied and most unusual program featured the Wednesday noon luncheon meeting of the Bryan Rotary Club. By election on rising vote, between candidates "Whidby" McSwain and "Sandy" Jones, the former won the privilege of presenting to the east side school, to the high school students, a moral code of ethics for school children which the Bryan Rotary has had framed. President Jno. W. Black stated that since there were no volunteers to speak at the schools of the city during fire prevention week from October 4 to 11, he would draft some from the club personnel.

"Bill" Williamson got the floor to make an address on behalf of the "Sweet-Papa" sub-organization in Rotary and stated that Will Gelber had superseded Dave Wilson as president of the club of six members. He suggested that the six members all sit at one table the next meeting and that Gelber furnish the cigars.

Members' Hobbies.

H. N. June took the matter of letting sick and absent members know that they are thought of when Rotary convenes by suggesting that cards be kept at the desk for members to use in sending a remembrance. Then Humbert took up some matters in regard to the coming programs on Rotary education and the study of the Rotary Code of Ethics. Then Humbert asked each man to give his avocation or hobby and some interesting returns were received. County Agent C. L. Beason announced the meeting at Steele's Store next Friday night and asked the Rotary to be on hand and help with the program. A number by an impromptu quartet consisting of Rotarians Black, Humbert, Barron and Bird rendered "My Bonnie Lies Over the Ocean", closed the meeting for the day.

Tabor Tidbits

(Special to the Eagle)
TABOR, Oct. 1.—Mrs. Susie Fuller and daughter, Miss Willie, of Hearne are spending a few days on their farm in this community.

Two of our worthy girls, Misses Ruby Walker and Winnie Harris, left a few days ago to attend college. The former went to Sam Houston State Teachers College at Huntsville the latter going to the State University at Austin. We feel proud of these girls for such girls will develop into the best women of the State.

There will be a social given at the Baptist Cottonwood church by the B. Y. P. U. on Thursday night. All the members are urged to attend.

Tabor high school auditorium is fast nearing completion. When completed this will be one of the nicest auditoriums in the county and this speaks well for the community in which it is being erected. The teachers are now planning the play to be given at the dedication of the auditorium.

This is the third week of the term of 1925-26 of Tabor school and it has enrolled more pupils this year than any previous year. Two pupils from other communities have entered high school. They are Ervin Lawless, of Kurten, and Luther Broadway of Wixon Creek. We are glad to have these excellent young men in our school. Mrs. S. R. Fice and children of

Benchley have removed back to Tabor in order that the children might enter high school again this term.

Misses Ola and Lois Henry have recently gone to Montgomery where the former is a teacher in the Montgomery school and the latter a pupil in the high school. May success follow these noble girls.

Rev. Jesse C. Thomson filled his regular appointment Sunday at the Alexander Methodist church. He preached a very interesting and up-lifting sermon. Sixty-eight were present at Sunday school Sunday morning. Judge W. C. Davis of Bryan made a very instructive and appreciative talk. The Alexander Sunday school is giving a social Friday night. All members of the Sunday school and Epworth League are requested to be present. A very enjoyable time is being planned and those missing the occasion will miss something worthwhile.

County Home Demonstration Agent Miss Abbie Sevier visited Tabor high school this morning and announced that Miss Grace Sample, a senior girl of Tabor, 1925, had won a free trip to the Dallas Fair. We congratulate Miss Sample on her good fortune. Tabor was given one other trip, but at present the winner is undecided. It will be announced later.

The women of this community will meet Friday afternoon at the school house to re-organize the Women's Sewing and Canning Club. Every woman is invited to attend and let us make this the banner year for Tabor.

Clyde Bowman and Miss Lucille Winstead of Benchley have been here since our last report.

Mrs. S. R. Rice and children spent the week-end with home folks at Benchley.

George Broach of Bryan was in our community Sunday.

Mr. and Mrs. Nat Harrison and baby of Bay Town have been visiting their parents here.

William Wilson of Anson, a former resident of Tabor, spent a week with friends here.

WOMAN'S AUXILIARY OF FIRST BAPTIST CHURCH HOLD MEETING MONDAY

At a regular meeting of Circle No. 3 of the Woman's Auxiliary of the First Baptist church, held Monday afternoon at the home of Mrs. Albert Buchanan, the following new officers were elected: Mrs. E. H. P. Baine, chairman; Mrs. W. S. Higgs, vice chairman; Mrs. E. J. Fountain, secretary; Mrs. G. M. Brandon, Bible teacher.

MAJOR H. C. DAVIDSON WRITES DESCRIPTIVE STORY OF ENGLAND

This bit of news from Major H. C. Davidson, son of Dr. and Mrs. J. C. Davidson, of Harvey, who is Assistant Military Attache to the American Consul of London, England, will be read with interest by Bryan people:

"We have had two bright sunny days in succession, and every one appears to be quite cheerful. About a week ago it was very cold with snow in some parts of Scotland and Northern England. By October the fogs settle down and I dread that time to arrive. This country literally has no summer. For about 20 to 30 days in June or July we have warm weather but never warm enough to make thick woolen clothes feel uncomfortable.

"Yesterday we drove out 25 miles to see some gardens an old Englishman planted about a hundred years ago, and they were surely worth seeing. Flowers everywhere and hundreds of different kinds of pine trees and other conifers planted all over the grounds around the house, which consisted of about 2,000 acres. The owner had gone to enormous trouble to bring the trees from all over the world and now natural history societies often go out to this place to study. Some of those old Englishmen had enormous sums to spend on their country places and the present generation is getting the unrest caused by the unequal distribution of wealth.

"In Hyde Park every night one can hear Communists and Socialistic speakers advocating the overthrow of capitalism and the whole British Empire. They say imperialistic ideas help grind down the working man and they are for doing away with the entire structure supported by capitalism. In Hyde Park the policy of the authorities is to let anyone speak on any subject he likes. The result is enormous gatherings every night listening to the various speakers. The speakers have platforms they bring out and from these they harangue the passers by and anyone who cares to stop. Most of the speakers are preaching religion of some sort but there are many others also. Last night there was a black man from Somaliland telling the public the various mistakes the British government is making
